English Communication (12 – 16 credits)

Develop a voice in written and spoken English that can be adapted to different audiences in particular social, academic, and artistic contexts as well as unique and informed opinions about issues related to, but not exclusive to, one's major.

Communicators are self-directed and reflective learners who apply critical and creative thinking to overcome challenges as active team members and collaborators in knowledge development and production.

Based on their achievement on the essay portion of the MUIC entrance exam, students will be placed into 3 following tracks: 'ERS Track', 'GC1 Track' and 'GC2 Track'.

- 'ERS Track' – Students who are placed into 'ERS Track' will be required to take ICME 100 (a non-credit course) and complete 16 credits in English Communication: ICGC 101, ICGC 102, ICGC 103 in order, and finally, any 200+ level English courses.
- 'GC1 Track' – Students who are placed into 'GC1 Track' will be required to complete 16 credits in English Communication: ICGC 101, ICGC 102, ICGC 103 in order, and finally, any 200+ level English courses.
- 'GC2 Track' – Students who are placed into 'GC2 Track' will be required to complete 12 credits in English Communication: ICGC 102, ICGC 103 in order, and finally, any 200+ level English courses.

Students must take ICGC 100+ courses in succession without interruption beginning in their first trimester of enrollment.

Students must take ICGC 100+ courses in succession without interruption beginning in their first trimester of enrollment.

Code	Title	Credits	Division	Basket	Note
ICGC 101	Academic Writing and Research I	4 (4–0–8)	HLD	GE_English Communication	For ID 63–66
ICGC 102	Academic Writing and Research II	4 (4–0–8)	HLD	GE_English Communication	For ID 63–66
ICGC 103	Public Speaking	4 (4–0–8)	HLD	GE_English Communication	For ID 63–66

Students then choose one of the following courses to fulfill their credit requirements:

Global Citizenship (4 credits)

Explore the current state of the world, including language, culture, geography, economics, politics and environment, the interconnection of local and global issues, as well as the common challenges that we are facing.

Global citizens aim to promote an understanding of diverse cultures and beliefs, and how these institutions influence people's behaviour and shape societies around the globe.

Leadership (4 credits)

Understand how to drive change for the benefit of society and enhance interpersonal skills, critical thinking, and creativity in real-life situations.

Leaders aim to instill a sense of altruism, harmony, and social responsibility in the students. They learn to work collaboratively at an early stage of their professional life. This is done through discussion, problem analysis, and projects that address community needs.
