

FACULTY POSITION VACANCY ANNOUNCEMENT

Interdisciplinary: Physics, Computer Science and Mathematics

Science Division, Mahidol University International College, invites applications for a faculty position beginning September 2026. We seek an outstanding scholar with expertise at the intersection of Physics, Computer Science, and Applied Mathematics, who will contribute to our growing interdisciplinary programs.

Position Overview:

The successful candidate will:

- Establish an independent research and deliver academic services
- Teach undergraduate courses and mentor students in interdisciplinary research
- Collaborate with faculty across the Science Division and contribute to our interdisciplinary initiatives
- Participate in program, divisional, and university service activities

Required qualifications:

- Ph.D. in Computer Science, Physics, Applied Mathematics, or a closely related field
- Interested in interdisciplinary research combining at least two of the following: computer science, physics, and applied mathematics
- Commitment to teaching and mentoring diverse student populations

Preferred qualifications:

- Strong record of scholarly publications
- Evidence of excellence or potential for excellence in teaching
- Experience with interdisciplinary collaboration
- Experience teaching at the university level

Application Materials:

Please submit the following materials through <ichr@mahidol.ac.th>:

1. Cover letter describing research accomplishments, future research plans, and teaching philosophy
2. Curriculum vitae
3. Names and contact information for at least three professional references

The application deadline will be 31 July 2026, or when the position is filled, whichever comes first.
