Remark:

- According to MU Regulations, students are not allowed to register less than 12 credits or more than 22 credits per trimester. If you need to register for less than 12 credits or more than 22 credits because of a justifiable reason, please fill in the special registration request form available at the Division of the student's major or you can download from the following link:
https://muic.mahidol.ac.th/file/pdf/Student/Special_Registration_Request_Form.pdf
Students need to process this request form and submit to your Division at least one week **before** the registration period.
- Please check carefully your **exam's schedule**, so it will not conflict with other subjects you are registering for.
- Note that some subjects have **pre-requisites** to fulfill before you can register for it.
- During the Add/Drop period, if a course is dropped without adding another of equal credit, you will receive a 90% refund of the tuition for that course. The refund will be transferred to your account 45 days after the Add/Drop payment due date.
